session will receive a
\$10.00 Amazon Gift
Card!!!

About

Overtown Children and Youth Coalition has partnered with Informed Families Florida to provide Overtown parents, youth and community members with our Safe Homes Smart Parents virtual presentations geared towards educating individuals on the dangers of drug and alcohol use and abuse. The presentations will help equip members of the community with the tools they need to help kids grow up in a safe, healthy and drug free environment.

- ✔ Learn ways to talk with kids about drugs and alcohol
- ✔ Parents learn how to host teen parties.
- ✔ Pre-teens and teens learn how to plan and attend parties.
- ✔ Adults learn about the importance of securing medications in the home.
